IMPORTANT NOTICE:

Onsite Trading & Services W.L.L. and GT Exhibitions Ltd have been appointed as the exclusive official freight forwarders, local Customs clearance and on-site handling agents by the DIMDEX 2022 committee. Together we will be providing a full customs clearance and on-site handling service.

Should you choose a company other than the recommended freighting companies, please note that according to Customs Rules & Regulations, the official appointed companies 'Onsite Trading & Services or GT Exhibitions' may not be permitted to intervene or arrange for any customs clearance of any courier shipments coming into the country.

Please indicate your requirements by placing a tick in the appropriate boxes:

- | | |
|--------------------------|--|
| <input type="checkbox"/> | Customs services at Doha Port / Airport / Border and at the Exhibition Site |
| <input type="checkbox"/> | Unloading and delivery to stand and vice versa (provision of Fork-lift & manpower on-site) |

IMPORTANT NOTES

DO NOT mix / consolidate temporary and permanent shipments together, they must be packed, documented and shipped separately on separate waybills. For temporary importation it is imperative that you provide 2 sets of photographs for all items in the shipment, even if serial numbers are listed and provided. Failure to abide with these requirements will invite heavy penalties and surcharges which will be on the respective exhibitor/agents account.

We agree to pay all charges on receipt of the invoice:
