We obviously try to arrange the Customs clearance of import shipments as soon as we can and remove them from the port/airport as soon as is possible. However it is often the case that we are restricted on the dates that we can bring shipments to the show site, therefore storage charges will be incurred for your shipments.

The actual storage rates will be set by the authorities and will be invoiced to you as per outlay +15%.

*Please note demurrage charges will vary considerably from line to line, if you have a free time demurrage agreement please make us aware of the terms in your pre-alert.

LCL Sea Freight consolidator warehouse storage

Will be billed on receipt from the consolidator as per outlay +15%

FCL Sea Freight-Port storage 20' Container 40' Container

AIRFREIGHT STORAGE CHARGES APPLICABLE ON INBOUND AND OUTBOUND MOVEMENTS

Storage receipts available approximately 4 weeks after the close of the show.

Any rates given will be indicative rates only. 15% outlay fee applies

5) Courier Shipments (up to 50 kgs per shipment)

FROM RECEIPT AT GT/AIRLINK OFFICE TO DELIVERED STAND

Handling charges	USD 1.35 per chargeable kg plus Customs Duty (if applicable)
Minimum per shipment	USD 80.00 per shipment / exhibitor / waybill
Clearance charges if arrived at Airport	As per Air freight Tariff

Chargeable weight / volume ratio @ 1:6 or as declared on the waybill whichever is higher.

When booking courier shipments, please ensure the Courier company will customs clear and deliver the shipment using their own Customs Importers code. Due to VAT reasons we cannot provide our importers code to other forwarders to arrange customs clearance of a shipment not under our control.

If the courier company cannot customs clear the shipment using their own importers code, then we will need to take over the customs clearance process of the shipment and charges will be as per the Airfreight tariff. Please instruct the courier that the Duty & VAT (if applicable) should be billed back to the shipper.

6) Tariff – Rental of Forklifts and Manpower

Rental of Forklift

This service is available for the set-up of exhibits if required. The scope of work includes only working on the stand for the assembly / dismantling of exhibits and cannot be utilized for loading or offloading of exhibits / freight at the marshalling yard.

8) Miscellaneous Remarks

All other rates quoted herein exclude: -

- The COVID-19 pandemic is significantly impacting global supply chains forcing cancellations and adjustments in air, sea & road services and capabilities. In this current environment, rates and transit times are subject to change at any time between the quotation / reservation stage and time of shipping, without the standard notification periods. While we are committed to mitigating these impacts and guaranteeing the protection of our client's interests, this situation is beyond our control. We will proactively and transparently communicate any available updates.
- Airline/Airport/Sea Port storage or demurrage charges if applicable will be additional on early arrival shipments (irrespective of the cargo arrival deadlines mentioned in the shipping guidelines). The free time permitted for shipments is 5 days from the port and shipping line for the containers to be unloaded and delivered back to port, effective from date of arrival.

- Movement of goods via offsite warehouse before, or after, the show will be subject to additional intermediate transport, handling and storage charges where applicable.
- The show site yard is not a covered area, therefore all freight and empties moving in and out of the halls, or stored on site during the show, are exposed to the elements. Whilst we will do our utmost to cover freight and empties in the holding areas, we cannot be held responsible for any damage caused by climatic conditions.
- Any third party charges incurred, beyond our control.
- Storage and handling of empty cases are subject to availability of free storage space on-site. Additional charges may apply for off-site storage or charges levied by the venue towards the space required on-site
- Split delivery of freight into different stands/halls locations, where additional handling is required.
- Unforeseen charges, such as loading/unloading/packing/unpacking at sea/airport for Customs inspection.
- Provision of hire of equipment and manpower – forklift, crane, pallet truck, packing materials, labour etc.
- For additional services not listed above, individual quotations will be provided based on requirements.
- All rates, fees and/or payments referred to in this Tariff are exclusive of all services tax, Value Added Tax (VAT) (whether existent or if applicable at the date of getting this tariff, or if applicable in the future) and any other current or future tax, duty or fee of any nature whatsoever imposed from time to time by any ministry or government authority will be charged in addition to the above tariff charges.

Rates quoted basis current rates and tariffs, subject to changes with / without prior notice.
