The above rates exclude: -

- Cargo and Transport Insurance
- Unpacking or repacking of goods
- Re-positioning of exhibits after first time delivery to stand
- Any special handling for overweight/oversized goods
- Any manpower or equipment required to assist with the assembly/dismantling operation on the stand.

IMPORTANT NOTES:

All freight destined for the show must be declared at least **5 Days prior to the required delivery date** to the show site for planning purposes.

Declarations must include cargo details such as, AWB or B/L copy, Customs Bill of Entry copy, exhibitor name, hall & stand number, number of packages, chargeable weight & volume, delivery to stand date and time, etc. Your representative (not a driver) must also be present on-site during the unloading/reloading of your goods, to supervise the stand delivery and to acknowledge and sign the necessary service orders. This will only enable us to serve you better.

For any exhibit, box or crate which exceeds more than 2 tons per piece, or with dimensions that exceed 2m x 2m x 1.5m (LxWxH), where special handling and lifting is required, we request exhibitors/clients to contact us, providing a detailed description of the goods at least 20 days prior to the start of the exhibition. This is very important and is required to ensure a smooth handling of your goods at the show site. Failure to do so in advance will invite penalties and surcharges to mobilize such special equipment at a short notice, which if applicable will be on the respective exhibitors/client's account.

The show site yard is not a covered area, therefore all freight and empties moving in and out of the halls or stored on-site during the show are exposed to climatic conditions. Whilst we will do our utmost to cover freight and empties in the holding areas, we cannot be held responsible for any damage caused by climatic conditions.

Insurance of the cargo is not included in our scope of work / tariff and this should be arranged by the exhibitor and / or exhibitor company with an express and unconditional waiver of subrogation towards GT Exhibitions their partners & sub-contractors.

As our tariff is computed based on volume and weight and has no correlation with the value of exhibits, it follows that the cost of insurance cover is not included in our charges. It is the responsibility of each exhibitor/client to arrange a Full Marine (Transport) Insurance covering transport of your goods from your domicile to the exhibition, and the return of the same back to your domicile at the end of the show, including the period your exhibits/goods are handled by GT Exhibitions. Please also ensure that the Marine (Transport) Insurance is arranged for the exhibits/goods sold locally during the exhibition.

Collection, storage and return of empty packaging, is subject to the availability of space on-site at the venue. At the moment, the venue provides a limited space to store empty cases freely on site. Additional charges may apply, if we are compelled to move empty cases for offsite storage, or if any charges are levied by the venue for the space.

It is the responsibility of each individual freight agent and exhibitor to ensure the collection of the packed goods from the stand at the end of the show within the stipulated tenancy. We are not responsible for any missing exhibits or cargo from the booth which is left unattended.

LABOUR

GT Exhibitions is the only company authorized to work on site and provide manpower for the handling/movement of freight within the premises of the exhibition centre.

For safety and security reason. No other contractor's manpower are permitted to work and handle or move any cargo on-site, as per the organizer's requirements for the show. Please ensure all your manpower requirements are pre-booked with GT Exhibitions well in advance.

All work carried out is subject to GT Exhibitions standard terms and conditions of trading, copies of which are available upon request.

We obviously try to arrange the Customs clearance of import shipments and remove them from the port, airport as soon as we can. However, it is often the case that we are restricted on the dates that we can bring shipments to the show site and therefore storage charges will be incurred on your shipments

The below rates are current indicative rates only and have been produced to assist you and your clients with your budgeting. The actual rates will be set by the authorities and will be invoiced to you as per outlay +15%.
