- Manpower or equipment, which may be required to assist exhibitors, will be additional

IMPORTANT NOTES:

All freight destined for the show must be declared at least 48 hours in advance for planning purposes. Declarations must include cargo details such as, AWB or B/L copy, weight, volume, exhibitor name & stand number. This will only enable us to serve you better, also we expect that your representative (not the driver) will be on-site at the time of the delivery to sign the necessary work orders.

For any exhibit or piece which exceeds more than 2 tons a piece, or with dimensions that exceed 2.0m x 12.0m x 1.5m (or any piece more than 5 CBM) where special handling & lifting is required, exhibitor/agent is required to contact GT Exhibitions, to offer a special handling & lifting quotation.

We take necessary precautions by covering all cargo and empty cases. However the show site yard is not a covered site, therefore all freight and empties moving in and out of the halls or stored on site during the show are exposed to climatic conditions.

Our tariff is computed on the basis of volume and weight and has no correlation with the value of exhibits. The cost of insurance cover is not included in our scope of work / tariff and the same must be arranged by the Exhibitor and / or Exhibitor company with an express and unconditional waiver of subrogation towards GT Exhibitions, our partners & sub-contractors.

It is the responsibility of each individual freight agent and exhibitor to ensure the collection of the packed goods from the stand at the end of the show within the stipulated tenancy. We are not responsible for any missing exhibits from the booth.

LABOUR

GT Exhibitions ME is the only company authorized to work on site and provide labour for the handling/movement of freight within the premises of the exhibition centre.
