10. WASTE

GT Exhibitions will assist the ExCel venue by removing identified waste to the loading dock waste areas for their cleaning teams to remove.

- Build up – From collected stand and transferred to the loading dock waste area: USD 20.00 per pallet
- To order your waste bins and skips please refer to the Exhibitor manual and book this direct with ExCel

This service will happen during the **build period** of Sibos and the waste must be packed safely on pallets suitable and stable for a forklift to lift, no one lift should exceed 300x100x200 cms. Examples below:
