Quotation and tariff rates subject to current trading conditions, the outcome of final 'BREXIT' negotiations may lead to UK Import / Export procedures being applied and associated costs passed on.

5. WASTE

GT Exhibitions will assist the ExCel venue by removing identified waste to the loading dock waste areas for their cleaning teams to remove.

- Build up – From collected stand and transferred to the loading dock waste area: USD 20.00 per pallet
- To order your waste bins and skips please refer to the Exhibitor manual and book this direct with ExCel

This service will happen during the **build period** of Sibos and the waste must be packed safely on pallets suitable and stable for a forklift to lift, no one lift should exceed 300x100x200 cms. Examples below:
